OFFICIAL JOURNAL OF THE CITY. SATURDAY MORNING, : : : JULY 15, 1871

for United States Senator. The Dem. ened that so soon as it had done with elect Clayton to the Senate than for the Westminster catechism, as well him to continue as Governor and to as with the blue laws of Connecticut. preventing disfranchisement; and we the beginning of the carnage. Is intend to defend their action from the there is not enough to do to enforce Radicals-Johnson, the present Sec retary of State in Arkansas, Two sire to see everybody enfranchised. should long ago have been extin-In November he repeated this desire, and in January he recommended en-Legislature. He was a candidate Then let Catholics stand together for for United States Senator, and anxious for enfranchisement and to rid the State of a troublesome man, the Democrats in the Legislature voted for Clayton for the same reason that the Democrats of Tennessee voted for Benter. We approved of this movement, because leading Democrats of Arkansas who had pledged themselves to support Clayton at the price of enfranchisement, asked us to do so. But the on never permits an occasion to pass without rebuking those Democrate

and traiter than Powell Clayton. old Fends in a New Country. Even from the times of the Inquisition and Reformation until now, the had blood which springs from religious animosities, and which, in past ages, has deluged the whole of Europe, has continued as unceasingly as f men were destitute of the kindly the more bitter in proportion as the rence more singular." parties have the less differences to The Issaquena Chronicle says that contend about, grow the more fero within the past two weeks we have had four days of hard beafing rains. Catholic church may never have councheck by the spring rains, have not tenanced, within the century, an or been in the least benefited by another ganization for violent propaga installment of fluid: tirass is growtion of its tenets, nor the Prot. ing rapidly. Plenters are in low estant church any organization spirits at the poor prospect before them. It is estimated that only about for resistance or proselytism on one-half a crop of cotton will be raised in the valley. Corn has done nant leaven may nevertheless have permeated and taken possession of the cultivation. We have now before us opposing ranks. It is well understood nearly three months for the present that the antagonist organizations in crop to mature. reland and Scotland are dry tinder, The Water Valley Mississippi Centrus ever ready for a conflagration. And it is to be expected that, transferred here by the million; we shall have like venous, indiscretion and trouble.

says that as the north bound express train last Friday morning, with James Greener as engineer, was approaching Spring Creek bridge, just this side of Malone's tank, a little boy, by the We are in a way to be taught a great lesson, which Great Britain, Europe and the world has been slow to learn, that men must not be judged by their opinions, and that toleration among selligent men is indispensible to at one end, near the middle of the bridge, caused, it is supposed, by

seace. It true religious are not to be some train that had previously passed over. It was most fortunate that it our approbation by the sword, much more should their newices be taught to begin and continue their prosecution in the benign spirit of the Man of casion that an archbishop waved his hand off and the mob retired, it was Association. answered with the startling question, "what if he had waved his hand on instead of off?" There does not appear to have been any prominent and wi'e, after retiring, were up in attendance on their little child, that was un-New York riots. But they have with the lamp between them, when cropped out from the old and slumwhich at once ignited and set the bed ablaze. Mr. Derden at once rescued the baby and extinguished the flames, which had fairly enwrapt the bed, but just then Mrs. Derden's clothing was discovered to be on fire, which were quickly forn from her by Mr. D., causing her hands and arms to be severely burned, her right arm especially. Mr. Derden's bands were burned but not so badly as his wife's. The child excapped unburt. The lamp did not explode. It was not a sair accident, but a surprising one that it was not bering fires. Au idea seems to have torn to pieces, and the day of harmed but a surprising one that it was not my for anything will be far distant. more latal."

MPHIS APPEAL men. But it bodes inture discord and no good that we have taken on such But it bodes future discord and vast commune and metropolitan airs as to attempt to crush out such innocent American liberties with unrea sching prejudice, proscription and force. The rights of every one are

the common rights of all, and, without this office will not be responsible for and will not be responsible for and will not be responsible for any should be protected. The deprivation be protected. The deprivation of any should be countenanced in no influential or authoritative quarter. Better surrender our opinions, our prejudices and our religions than to go to war over them. Let us have been been been able to see the matter righted. In the name of my many sisters, too anodest to see the matter righted. In the name of my many sisters, too anodest to speak for themselves, I return to go to war over them. Let us have been our prejudices and our religions than to go to war over them. Let us have been dead of the cause of right. Nor do I, in the least, mind your little gentle hint to my future distinct in the cause of right. Nor do I, in the least, mind your little gentle hint to my future distinct in the subject of the unequal pay of male and lemale teachers. There is quite a general feeling on the subject in our community, and a desire to see the matter righted. In the name of my many sisters, too anodest to speak for themselves, I return to go to war over them. Let us have peace. That is the cry of the Puritan favorite and Brute Butler's right hand man. This amiable people has threatened that so soon as it had done with the ontone, in any of male and lemale teachers. There is quite a general feeling on the subject in our community, and a desire to see the matter righted. In the name of my many sisters, too anodest to speak for themselves, I return to speak for themselves, I re ocrats in the Legislature of Arkansas slavery, it would take up and Kuvoted nearly to a man for Clayton.
